Global Faculty Initiative

The Faculty Initiative

seeks to promote the integration

of Christian faith and academic disciplines

by bringing theologians into conversation with scholars

across the spectrum of faculties

in research universities

worldwide.

WE CAN'T LIVE THE VIRTUOUS LIFE IN OUR OWN STRENGTH

Tim Maughan

Professor of Clinical Oncology, University of Oxford
Clinical Director of the Oxford Institute for Radiation Oncology in the Department of Oncology, University of Oxford

I agree virtues are very important for a flourishing research culture in which both science and people flourish. I would welcome greater emphasis on the role of the Spirit transforming us and our own inability to live the virtuous life in our own strength.
